IMPORTANT INSTRUCTIONS

Bidding in the final minutes and seconds should be avoided in the bidders own interest. Neither Syndicate Bank nor Service Provider will be responsible for any failure/lapse (Power failure, Internet failure etc.) on the part of the vendor. In order to prevent such contingent situation bidders are requested to make all the necessary arrangements/alternatives such as backup power supply etc required so that they are able to prevent such situation and continue to participate in the auction successfully. As per the new inter-operability guidelines released by the Controller of Certifying Authorities (CCA), the Secured Socket Layer (SSL) certificate for an e-procurement application is generated on a new algorithm, SHA2. Also, the Digital Certificate that will be applicable for these platforms have to be SHA2 algorithm compliant. For the same, the users have to ensure that they have Windows XP (SP3)/Windows Vista/Windows 7 installed in their respective PC/Laptop. In case of Windows XP service pack-3, if you get any issue you can install the SSL patch, which is available at our download section of our e-Auction Portal just below the label of SYNDICATE BANK.

This is also a notice to the borrower/guarantor of the above said loan about holding of this sale on the above mentioned date if their outstanding dues are not repaid in full.
