

ATM Do's and Don'ts.

Do's

Conduct your ATM transactions in privacy. Beware of suspicious movement of people around ATM or strangers trying to engage you in conversation.

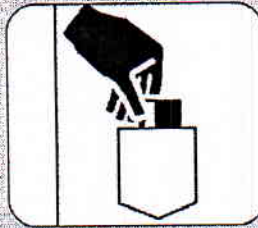

Use your hand or body to shield your PIN while entering it.

Press 'Cancel' key before leaving the ATM and wait for the welcome screen. Remember to take your card, cash and transaction slip.

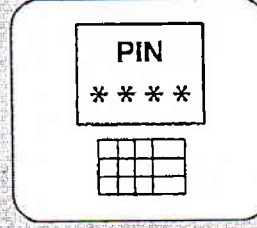

Register your mobile number with the Bank to get alerts for your ATM transactions.

Inform the Bank, if the ATM/Debit Card is lost or stolen & immediately report any unauthorised transaction.

If the cash is not dispensed or your card is trapped inside, report to the Bank immediately.

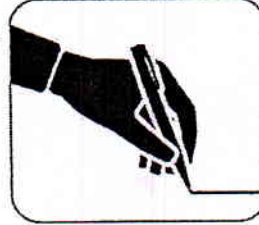

Create a PIN which is difficult to guess and change it on a regular basis.

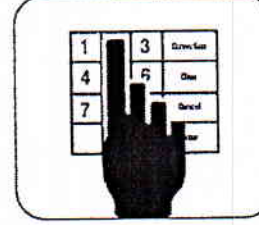

Don'ts

Do not take help from strangers or handover your card to anyone for using it.

Do not write your PIN on the card or disclose it to anyone, including Bank employees.

Do not conduct the transaction if you observe any unusual devices or appendages connected to the ATM machine.
